

The Center for Sex Offender Management National Resource Group

The Center for Sex Offender Management continually seeks input from experts in the field of sex offender management in order to inform the project's efforts. CSOM's National Resource Group is comprised of expert practitioners (including academicians, researchers, and policymakers) and the leaders of several national organizations in the field of sex offender management. This group meets periodically in order to provide substantive input to project work and to contribute to specific topical discussions in their particular areas of expertise.

The following individuals comprise the project's National Resource Group:

Judith Becker	Professor of Psychology, University of Arizona
Fred Berlin	Director, National Institute for the Study, Prevention, and Treatment of Sexual Trauma, Baltimore
