

EDUCATING THE COMMUNITY ABOUT SEXUAL ASSAULT AND ABOUT A COMPREHENSIVE APPROACH TO THE MANAGEMENT OF SEX OFFENDERS IN THE COMMUNITY:

A Training Curriculum

Outline of Section 1: What Community Members Need to Know about Sexual Assault and Sex Offenders

Time Allotment: 55 minutes

Subject Matter: This section provides basic information about the incidence and prevalence of sexual assault and attempts to replace some of the common myths about sexual assault with concise, research-based information.

Learning Activities: There is a True or False Quiz that participants are invited to take as a way to introduce some of the basic facts about sexual assault—and to dispel some common myths.
