Established in June 1997, CSOM's goal is to enhance public safety by preventing further victimization through improving the management of adult and juvenile sex offenders who are in the community. A collaborative effort of the Office of Justice Programs, the National Institute of Corrections, and the State Justice Institute, CSOM is administered by the Center for Effective Public Policy and the American Probation and Parole Association.

This project is supported by Cooperative Agreement No. 97-WT-VX-K007, awarded by the Office of Justice Programs, U.S. Department of Justice. Points of view in this document are those of the authors and do not necessarily represent the official position or policies of the U.S. Department of Justice.
