

AN OVERVIEW OF SEX OFFENDER TREATMENT
FOR A NON-CLINICAL AUDIENCE
A Training Curriculum

Evaluation Form—Long Version

Developed by the Center for Sex Offender Management
A Project of the U.S. Department of Justice, Office of Justice Programs; the National Institute of
Corrections; and the State Justice Institute

To allow the Center for Sex Offender Management to improve this curriculum and other curricula that we develop, please supply us with the following information.

1. Please check your primary work area.

<input type="checkbox"/> Probation/Parole Line Officer	<input type="checkbox"/> Probation/Parole Supervisor
<input type="checkbox"/> Probation/Parole Administrator	<input type="checkbox"/> Victim Advocate
<input type="checkbox"/> Treatment Provider	<input type="checkbox"/> Law Enforcement
<input type="checkbox"/> Judge	<input type="checkbox"/> Other _____

2. Please check the description that most accurately describes your jurisdiction.

Urban
 Rural
 Suburban

3. The training I attended was _____ hour/days long.

4. Please assess how well the curriculum achieved its goals and objectives.

Training Goal: To provide an overview of sex offender-specific treatment, and outline its characteristics, particularly the ways in which it differs from traditional mental health treatment.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Goal: To emphasize the primary goal of sex offender specific treatment—community protection.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Goal: To summarize what we know of practice patterns nationwide.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Goal: To summarize the research on the outcomes of treatment (i.e., what we know if its effectiveness).

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to recognize that the overarching goal of sex offender treatment is community protection.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to contrast sex offender-specific treatment with other forms of mental health treatment.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to identify several sex offender treatment methods and adjunctive interventions that typically comprise sex offender-specific treatment.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to describe what specialized sex offender assessment is and why it is important in the sex offender-specific treatment process.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to describe the general utility of several assessment tools in the sex offender treatment process, including the polygraph, the plethysmograph, and the Abel Assessment of Sexual Interest.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to describe the general findings of sex offender treatment outcome research; articulate the problems with measuring treatment effectiveness; and describe the financial costs and benefits of sex offender treatment.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to describe the components of effective sex offender treatment.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to explain why treating sex offenders who deny their offenses is important, and describe one method for encouraging sex offenders to admit their abuse.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to articulate the four domains of treatment and the rationale for focusing upon them in treatment.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to describe a number of specific sex offender treatment methods.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To familiarize participants with research findings related to the length of sex offender treatment and treatment provider style variables.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to identify several ethical issues in the treatment of sex offenders.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to describe recent trends in treatment program prevalence and approach for adult sex offenders and sexually abusive youth.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to identify basic qualifications of sex offender treatment providers and describe desirable traits of sex offender treatment providers.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to explain the importance of attitudes and practices supportive of multidisciplinary collaboration in sex offender treatment providers.

Not Achieved

Fully Achieved

1 2 3 4 5

Training Objective: To enable participants to identify referral sources to locate sex offender treatment providers.
