

Section 5 Handout – Action Planning Worksheet for Victim Advocates

Use this worksheet to help guide you toward action steps that you and/or your agency can take to help make sex offender management in your community more victim-centered and therefore more effective in preventing future victimization.

Things you currently do in your work with/for victims	How could you use this activity to support/be involved in a comprehensive approach to sex offender management?	What kind of options exist for participation or access?	Who or what do you need in order to participate or have access?	What are three steps to take to make this happen?	What are some possible results of this action?
